The Omnibus CD

- This is not an ordinary CD.* It contains all of the above audio sessions in mp3 format. It can be copied to, and played on, the Apple iPod, and in other 'mp3 players'. It can be played directly on most computers, most DVD players, and many of the newer CD players. Readers should purchase this option only if confident that they can use mp3 files. In addition, text files of major papers (in pdf format) are included.
